Dear Miss Pothier

Ref: 09/380,340

Thank you very much for providing me with the amendments, which I have now completed, I have sent through the original copy and the amended clean copy as requested.

I have also a copy, which references the changes prior to the final copy; this is exactly the same as the final copy, however it shows all the amendments in the new format as requested. I am not sure whether you would need this, if you do I will be more than happy to fax this through to you for reference. However, to save confusion I have only faxed through the original copy that was sent to you with the amendments marked on it and the final clean amended copy of the application.

With regard to the changes in the drawing I await the fax drawings. If there is any further information you need, please do not hesitate to contact me at the office or on my cell or by e-mail.

Kind regards

Kelvin Doyle
